Sub: Undertaking letter

Respected sir,

With due respect we would like to bring to your kind notice about below points :

1. We have mentioned 78 rooms in our school building but as of now we are using **38** rooms out of which 8 rooms are used for classes 1-8 as per the present strength and 2 Proposed classrooms for 9th & 10th. Others are used for labs, activities and other rooms (Yoga, Karate, Sports room, Medical room, Projector room, Art & Craft, Pre-Primary rooms – 2, Music room, Director, Principal, Vice-Principal, Board meeting room, Dance room, Chess room, Table tennis room, Staff rooms - 2, accounts room, Counsellor room, Special educator room, Parents meeting area, Operations manager room, Auditorium, Composite lab, Math lab, Computer lab, Library (Previously we have entered 78 rooms by mistake) whereas the remaining rooms are not in use but ready with class room furniture to accommodate in future.
2. There is a separate building inside our school boundary which we are using it for storage of school material and is in safe and secured condition and is always locked under the supervision of security.
3. There is also an electric panel board in the school premises which is used for the school purpose and is covered with grill fencing, by taking utmost care that there is no access for students.

Thanking you
